

The Goodrich 4 Bedroom

From €210,000

Key Features:

- Floor area: 191sqm
- Entrance Porch
- Impressive Hall
- Conservatory
- Study

The Goodrich is a truly impressive and flexible design making it an ideal home.

Entrance is through the porch into the hallway, which in turn leads to the huge study and sizable family room. A large open plan kitchen and dining area, complemented by a utility room and downstairs cloakroom, complete the Ground Floor layout.

Upstairs, there are four well-proportioned bedrooms, with the master having the added benefit of an en-suite and walk-in wardrobes. A family bathroom serves the other three bedrooms.

To customise this dormer bungalow home plan or for more information on our services, please contact us to discuss your requirements.
